

EXCELLENCE YOU CAN RELY ON

Scotsman ice machines have set the standard of product quality and innovation for over 50 years. Scotsman has received ISO certification for over 20 consecutive years, and we are proud to have been named one of the top manufacturers in the USA by Industry Week magazine. We were also named as a finalist for the prestigious Shingo Prize for excellence in manufacturing.

CRYSTAL-CLEAR GOURMET CUBE ICE

Engineered and tested for outdoor use, you can count on Brilliance® Gourmet cubes to reliably cool your beverages. The crystal-clear cubes let the true beverage flavor come shining through.

UNIQUENESS: Hard, crystal-clear ice cubes are odorless, tasteless, and practically mineral-free.

ADVANTAGES: Melts slower – won't dilute the drink as fast.

POPULAR USES: Perfect for premium, mixed drinks, or for elevating any beverage occasion into something special.

THE "ORIGINAL CHEWABLE ICE®" NUGGETS

Enjoy the satisfying crunch of Brilliance® Nugget Ice from your outdoor kitchen. Designed and tested for outdoor use, Nugget ice can now make a big splash in your outdoor area, no pool required.

UNIQUENESS: Soft, compacted ice in classic nugget form.

ADVANTAGES: Easy to chew, fun to crunch, absorb flavors of beverages, and cools beverages quickly.

POPULAR USES: Perfect for soft or blended drinks, smoothies, food displays and whenever you're feeling a little crunchy.

ICE IS ALL WE DO... AND WE DO IT ALL.

- Our "ice is all we do" focus enables us to manufacture world-class ice machines for outdoor use.
- Sleek, modern design complements any kitchen design.
- Factory-installed pump provide greater reliability and fewer leaks.
- Uses less water and less energy.
- Designed, engineered & assembled in the USA.
